

Haider Fadel

Full Stack Developer

📍 Baghdad, Iraq ✉ haiderfadel.work@gmail.com ☎ 07727599259 in linkedIn ➡ My website

Objective

As a passionate and dedicated **full-stack web developer**, my objective is to join a team where I can leverage my skills and expertise to design and develop innovative web solutions. I am experienced in front-end frameworks such as React, Vue.js, and AngularJS, as well as server-side languages such as Node.js and PHP. With a focus on attention to detail and delivering high-quality code, I am committed to collaborating with my colleagues to produce top-notch results. My ultimate goal is to contribute to the success of the organization and continue growing my skills as a developer.

Skills

- Proficient in HTML, CSS, TailwindCSS, SCSS, JavaScript, TypeScript, and jQuery
- Experience with front-end frameworks such as React
- Familiarity with server-side languages such as Node.js, Next.js
- Experience with databases such as MongoDB
- Familiarity with version control tools such as Git and GitHub
- Soft skills such as Teamwork, Self-Learner, Adaptability

Certificates
